

SEDAR à Subscriber Update

April 30, 2003

Reminder to issuers: Register and file your profile supplements on the System for Electronic Disclosure by Insiders (SEDI) by May 30, 2003

SEDI issuers are reminded that they are required to register and provide information related to their outstanding securities in the period between May 5 and May 30, 2003. All SEDI issuers should ensure that they have filed a SEDAR profile, and have filed an accurate and complete profile supplement on or before May 30, 2003. Any firm that becomes a reporting issuer after May 30, 2003 will have three days to comply.

SEDI issuers are reporting issuers, other than mutual funds, that are required to file disclosure documents in electronic format through the System for Electronic Document Analysis and Retrieval (SEDAR) – essentially all Canadian public companies.

To assist users, a comprehensive SEDI User Guide is available that explains SEDI's main functions. Users may download the manual (in PDF format) from the Canadian Securities Administrators' Web site, www.csa-acvm.ca.

For further information on issuers' filing requirements, please contact:
