

SEDARâ Subscriber Update

December 30, 2003

Code Update (Version 007.001.014)

A SEDAR code update is scheduled for **January 5, 2004**. Its' size is approximately 1.5 MB and should take approximately 10 minutes to download using a 28.8K modem.

You are encouraged to obtain the code update as soon as possible on or after January 5, 2003 by following these procedures:

1. Starting the SEDAR program;
2. Selecting File menu; and
3. From the File menu, selecting Receive items from SEDAR server.

This method will help make sure that the application is updated and ready for your use before you actually have to perform any business functions.

This code update will bring the SEDAR client application up to Version 007.001.014.

Please be patient and **allow the download to complete before proceeding**. Once the code update has been downloaded, close the SEDAR program and follow the instructions below to execute the code update:

1. Click the Start button located at the bottom left corner of the screen;
2. Select Programs; and
3. From the Program menu, select SEDAR and then select Code Update.

Summary of Code Update Changes

1. Changes to SEDAR Annual Filing Service Charges

The annual filing service charges have been increased to cover the 365 days of 2004. These charges will apply to all reporting issuers (other than mutual funds) that file disclosure documents through SEDAR ("SEDI issuers"). For more information, please refer to the SEDAR Subscriber Update dated December 4, 2003.
