Increases to SEDAR Annual Filing Service Charges

The annual filing service charges have been increased to cover the costs of implementing and maintaining the System for Electronic Disclosure by Insiders (SEDI) which was launched on October 29, 2001. These increases will apply to all reporting issuers (other than mutual funds) that file disclosure documents through SEDAR ("SEDI issuers"). For more information, please refer to the SEDAR Subscriber Update dated November 30, 2001.

Correction to Filing Charges Payable to CDS

When the filing type Resale of Securities (MI 45-102) was added in a previous SEDAR release, the normal Filing Charges payable to CDS were not automatically displayed. Filing Charges payable to CDS will now appear for the Other Issuers/Continuous Disclosure/Resale of Securities (MI 45-102)/Annual Information Form filing subtype.

Changes to Filing Fees Payable to the British Columbia Securities Commission

Effective January 1, 2002, the fee schedule of the British Columbia Securities Commission, ("BCSC") changed. These changes are a reduction of fees and are expected to be in place for one year. The purpose of these temporary reductions is to return surpluses accumulated prior to the BCSC's January 1, 2001, permanent fee reductions to industry. A copy of the new fee checklist can be downloaded in .pdf format from the BCSC website at <http://www.bcsc.bc.ca>.
