

SEDAR® Subscriber Update

August 14, 2020

Code Update (Version 008.061.003)

A SEDAR code update is scheduled for August 31st, 2020.

You are encouraged to obtain the code update as soon as possible on or after August 31st, 2020 by following these procedures:

1. Start the SEDAR program;
2. Select *File* menu; and
3. From the *File* menu, select *Receive items from SEDAR server*.

Once the code update has been downloaded, close the SEDAR program and follow the instructions below to execute and complete the code update:

1. Click the *Start*, button located at the bottom left corner of the screen;
2. Select *Programs*; and
3. From the *Programs* menu, select *SEDAR* and then select *Code Update*.

This method will help make sure that the application is updated and ready for your use before you actually have to perform any business functions. Once all is completed, the SEDAR client application will be set to version 008.061.003.

TMP Filings

All filings that have been saved but not submitted (shown as TMP on your Filing Management screen) should be either submitted by August 28, 2020 or deleted. To delete any TMP filings, highlight the project and select File / Remove Unsubmitted Filing(s).
