

SEDAR® Subscriber Update

January 30, 2012

Code Update (Version 008.019.000)

A SEDAR code update is scheduled for Monday, February 6, 2012.

You are encouraged to obtain the code update as soon as possible on or after February 6, 2012 by following these procedures:

1. Start the SEDAR program;
2. Select File menu; and
3. From the File menu, select Receive items from SEDAR server.

This method will help make sure that the application is updated and ready for your use before you actually have to perform any business functions.

This code update will bring the SEDAR client application up to Version 008.019.000.

Once the code update has been downloaded, close the SEDAR program and follow the instructions below to execute the code update:

1. Click the Start button located at the bottom left corner of the screen;
2. Select Programs; and
3. From the Program menu, select SEDAR and then select Code Update.

TMP Filings

All filings that have been saved but not submitted (shown as TMP on your Filing Management screen) should be either submitted by Friday, February 3, 2012 or deleted. To delete any TMP filings, highlight the project and select File/ Remove Unsubmitted Filing(s).

Summary of Code Update Changes

New Stock Exchanges

Two new stock exchanges “Canada - Alpha Main” and “Canada - Alpha Venture+” are being added to the list of *Stock Exchanges (or Markets)* available on the Other Issuer profile.

Filers should review the list of stock exchanges currently selected on their Other Issuer profile and make any updates necessary, including the addition of either of the new Alpha exchanges, if applicable.

For more information, please contact your local SEDAR Relationship Manager or the CDS INC. Technical Services Desk at 1-800-219-5381.
