

SEDAR® Subscriber Update

October 04, 2010

SEDAR Environment

CDS and the Canadian Securities Administrators have reviewed the SEDAR system requirements and wish to inform subscribers that the 32-bit version of Windows 7 Professional software package will be supported as of October 4, 2010.

Refer to our website http://www.sedar.com/sedar/sedar_release_en.html for:

- an updated list of minimum hardware and software requirements for Windows 7 available in our *Installation Guide*
- a link to the *Windows 7 Installation Screen Shots* that provides screenshots of the download procedure
- the *SEDAR R8.0 Installation for Windows 7 users* download package

In order to download the SEDAR Windows 7 package, you will require a Login and Password. This information will be provided to the Principal Contact for each subscriber by calling our Technical Services Desk and providing your subscriber's PIN.

SEDAR Subscriber Training

As a SEDAR subscriber, you are entitled to receive training from your SEDAR Relationship Manager. SEDAR training sessions include a comprehensive review of principal SEDAR functionality in addition to any specific filing need(s) that you would like addressed.

There is no additional charge for the training. It is available as a refresher for current SEDAR subscribers, as well as an introduction for new subscribers.

If you have any questions regarding SEDAR training, please contact your SEDAR Relationship Manager. (http://www.sedar.com/sedar/how_to_contact_sedar_en.htm)

For more information, please contact your local SEDAR Relationship Manager or the CDS INC. Technical Services Desk at 1-800-219-5381.
